CONFERENCE NEWS

The Annual BODIES Conference is just around the corner. On Saturday, April 17, church members from all over BLBA will come together at Valley Baptist Church in Appleton to take part in corporate worship, food and fellowship, and

break-out conferences. In past years, the break out conferences have been uplifting and even life changing for many. Some of the comments from last year were:

“Great presentation! Won-

derful ideas to help out in my struggle in evangelizing.” Another, “...these sessions were encouraging and extremely meaningful. My heart was touched and calmed.” And another, “Love it. Great tools to use to reach the lost. It was so much fun listening to the stories and realizing God has me and my wife as one.”

Living Water Christian Fellowship

in Wausau was born in 2000 although its history began many years before. Formerly Thomas Street Baptist Church, this faithful group of believers has held on to the witness they envision in Wausau at all costs. Their pastor, Norm Fisk, articulates their mission in their community as accepting people where they are with a Christ-like love; providing a place where people will grow in obedience and service to God; and begin new relationships outside of themselves to initiate faith and cultivate maturity in Jesus Christ.

Pray for Norm and Jan

as they lead Living Water Christian Fellowship to share Christ with their community in a whole host of ways.

God bless you ,

Living Water, as you reach out to all ages in practical ways with the love of the Savior.
