SUMMER BLESSINGS

BLBA Camp - Breaks Records -

Any record worth making is worth breaking. If our camp team led by Joe Kelly had time to think about records and such, they would have been very pleased with themselves this summer.

The truth is that they were all too busy giving thanks to God for all He did and continues to do in and through camp. So, we will note the records set from Camp 2010:

- Number of campers...100
- Number of workers...58
- Scholarships given...27
- Scholarship donations...\$2580
- Counselors per cabin...2
- Preschool camp curriculum for workers children
- Number of churches involved...18 from 3 states

Thank you *On Mission Camp Team* for your dedication and tireless efforts year round for that week of camp for the youth and children of Bay Lakes. May God continue to bless you and bless your labor of love.

Maple Dale Baptist Church

Mission Team

A group from Maple Dale Baptist Church in Sheboygan joined with a few hard workers from Living Water Fellowship in Wausau to work on their church building. They removed bad ceilings, carpet, and insulation to make a "clean sweep" for the relieved church. A donation was given to provide lunch for the workers and the good fellowship was provided by the Spirit who made them brothers and sisters in Christ. The pastor of Living Waters Fellowship, Norm Fisk, reported that "God is Good".

USC2 Couple to Serve in Bay Lakes

The North American Mission Board has appointed Cody and Nicaela Wells to serve as Church Planters for the Greenville Baptist Church.

Arriving in Wisconsin in June, they quickly settled in an apartment in Appleton and Cody took off to be the resident missionary and Senior High boys' counselor at camp.

Nicaela wasted no time securing a position in her chosen field of optometry.

The Wells come from Oklahoma where Cody served in Youth Ministry.

As you can see, they are adapting to Wisconsin and all our ways...
