

New Position: Church Growth and Health Facilitator
Bay Lakes Baptist Association
Northeast Wisconsin – Centered around the Appleton-to-Green Bay Area
<http://www.blba.org/>

Thank you very much for your interest in the newly created position of Church Growth and Health Facilitator with the Bay Lakes Baptist Association. This position replaces the Director of Missions position largely funded by the North American Mission Board and occupied by Dr. Dennis Hansen until his recent retirement. The new position is part-time and is funded by contributions from the 20 churches of the Association. We invite you to read over the Position Description and the Qualifications which follow.

The Church Growth and Health Facilitator position is very important for the continued growth and health of the churches in the Association. We are praying fervently that God will lead us to the man He has prepared for this ministry. Perhaps as you have read over these materials you are sensing God leading you to take the next step in exploring the possibility that you might be the man He is calling to this pivotal role. If so, we invite you to send your resumé to my attention. In your cover letter, please tell us about how experiences in your background relate to the expectations in the Position Description and the Qualifications. In particular, please describe the following:

Your relationship with the Lord at this time

Fruitful leadership experience you have had in one or more churches and/or associations of churches

Your roles of being a “pastor of pastors” (either formal or informal) and a resource to churches

Your involvement in planting new churches

Your experience of living and serving in Wisconsin, Minnesota, or other parts of the Upper Midwest.

We will handle your materials in complete confidentiality. May we please hear from you by August 1st? In the meantime, please call or email me if you have questions.

Rev. Brian Kult, Moderator of Bay Lakes Baptist Association, Chairman of the Search Committee
